

AUTHORS' CHECKLIST

Before submitting the final version of your manuscript please ensure that all the relevant information and material, according to the Guidelines for Authors, is included.

Your paper cannot be considered for publication until all of the following instructions have been complied with.

Please make sure that you:

- 1. Ensure that **all authors' names**, including their **first and last names, affiliation (department, hospital / institution, city, country)** are listed.
- 2. Ensure that the **corresponding author** is clearly marked (**name, degree, affiliation, postal address, telephone, e-mail, ORCID ID**).
- 4. Send **e-mail with an electronic version** of your paper saved as a Word file or using a program convertible by Word (please visit the Guidelines for Authors section of our website for details on preparing figures: www.rjr.ro).
- 5. Ensure that your paper conforms fully to our **style requirements** (please visit the Guidelines for Authors section of our website for full details on preparing your manuscript: www.rjr.ro).
- 6. Provide an **abstract*** (no more than 250 words).
- 7. Provide a list of **keywords*** (4-6 keywords).
- 8. Double check that all **tables and figures** are correctly **labelled**, and that the **numbers add up**.
- 8. Provide: **Conflict of interest, Contributions of authors, Acknowledgement**.
- 9. Double check that your **references** are complete and accurate, and that their format conforms to our style requirements (please visit the Guidelines for Authors section of our website for full details on how to write and insert references: www.rjr.ro).
- 10. Sign and send the **Authorship responsibility form** and **Copyright transfer agreement**.

* Not necessary for Commentaries, Editorials, or Letters to the Edit
